Additional Services for your Iridium Phone

International calling rates apply to voice calls to an Iridium phone. Depending on your cellular or PSTN carrier, these rates can be \$5 to \$10 per minute. VOCO dramatically lowers the cost of these calls and allows you to affordably call any Iridium phone via a local number. Calls to this VOCO local number are automatically routed to your Iridium phone wherever it is in the world, then billed against your Iridium service at a fixed per minute basis rather than the extreme rates long distance carriers will charge persons attempting to speak with you.

Yes, please add VOCO calling to my Iridium plan for \$10 per month plus calls.

Along with potential incorrect use (i.e., next to a building/obstruction), the Iridium system (a low earth orbiting satellite constellation) has inherent flaws and anomalies that can create dropped calls of either voice or data nature. Deposits will be refunded at service or contract termination;
10. Foreign Credit Cards: Foreign credit cards will be accepted only after a complete verification has been done with the issuing bank. Verification of foreign credit cards may delay authorization by 72 hours. All deposits for terminals will still apply. OCENS reserves the right to decline any credit card application;
11. Non-Payment/Breach: A late charge of 1-1/2% per month will be applied to each of customer's service bills not paid by due date. This late charge is applicable to the unpaid balance as of the due date.
