

Enable
OCENSWeb
access

WWW.OCENS.COM

Please follow the below instructions to add access to OCENSWeb through your Sidekick. **(NOTE: You will need to use the Google Chrome web browser to perform this action.)**

- 1) Connect to your Sidekick via Wi-Fi or ethernet
- 2) Login to the Sidekick via your web browser and open the page 192.168.8.1 (default password is: ocensadmin)
- 3) Click on the Firewall Setting option then click on “+” icon
- 4) Enter the following:
 - Host: 34.214.213.72
 - Port: 8180
 - Protocol: TCP
 - Comment: OCENSWeb
- 5) Click on the “+” at the end of the line then click “Save Changes” button near the top of the list.

Once the changes have been saved you will be ready to use OCENSWeb service.
